COMMUNICATION MADE SIMPLE

## SIMPLIFY THE WAY YOU COMMUNICATE

Whether you need to expand, relocate or upgrade your business phone systems, we can deliver a tailored scalable solution for you. One provider, one contract, one bill, one point of contact.

### Fixed Business Telephone Lines

PMGC offers a complete fixed line service, providing high quality and competitively priced packages for outbound, inbound calls and business line rentals.

We are already helping businesses of all sizes and industries across the country make significant savings on their communication costs and delivering a service that puts you, the customer, firmly in control.

### Get more flexibility in the way you make calls

At PMGC we'll make it easier for you to make calls - and gives you operational efficiencies you need to get the most out of your network. Whether you're using a basic landline or operating a mix of IP-based services, we'll provide a solution to match your infrastructure and save you valuable time and money. We can also provision local and general numbers to make it easier for your customers to get in touch.

When you transfer your fixed-line calls and line rental to PMGC you'll not only make great savings, but we'll handle the entire process. There's no need to change your number or install extra equipment, and no need to deal with your existing fixed line supplier. For you and your business, its business as usual.

# WHY CHOOSE PMGC FOR YOUR FIXED LINE?

PMGC has a strong heritage in business communications and with Strategic Vodafone Platinum status partnership we are able to offer businesses a range of flexible call packages and competitive line rental packages tailored to suit the communication requirements of your business.

Our consultants will fully review your current telecoms infrastructure, hardware, usage and supplier charges to identify where efficiencies can be made. We can deliver real cost savings and benefits to your business by simply selecting for you the most appropriate package from our flexible range of fixed line products.

Our service delivery teams work with you to provide hassle free installation of lines for whatever your business requires. Whether you simply need an additional line for your business broadband, or new lines with DDI's for an entire office block we can provide a solution that is right for your organisation.

PMGC can transfer your services whether you have a single line or many thousands. Switching your existing lines to PMGC allows you to consolidate supplier bills and reduce your costs. The transfer of your lines to PMGC is seamless so service will continue uninterrupted with no physical change to lines or telephone numbers.

Your choice of fixed line provider today will have a huge impact on your company's ability to exploit new communications tomorrow.

## In today's economic climate businesses face three major challenges:

- Reduce costs and provide superior value through more effective management of fixed and mobile communications
- Reduce the number of supplier relationships - ideally down to a single supplier to take the complexity out of managing communication channels
- Improve productivity: higher output in shorter timescales with less resource

### Why choose PMGC Fixed Line:

- ✓ One provider for all your landline and mobile communication requirements – easy to manage
- ✓ Free Transfers
- ✓ Significant savings on monthly line rental
- ✓ Competitive call rates
- ✓ Benefit from dedicated customer service and account management support
- ✓ Reduce the number of suppliers you have to manage on a monthly basis
